Moran ISD COVID-19 Return to School Criteria

Students or staff who present with a lab confirmed positive COVID-19 test or have symptoms must complete the following for return to school.

- 1) At least 10 days have passed since the first clinical onset of symptoms.
AND
- 2) At least 72 hours (3 days) fever free without the use of fever reducing medication, Tylenol – Ibuprofen.
AND
- 3) Symptoms have greatly improved.

Students or staff who have a lab confirmed positive COVID-19 test and are asymptomatic (no symptoms) must meet the following criteria to return to school.

- 1) Must be 10 days from the date of the positive test. This is not the date of test results but the date the test was given.
- 2) They must have had no symptom development during the 10 days.

Students or staff who are on quarantine must meet the following criteria before returning to school.

- 1) Quarantine for 14 days at home or away from school from the dated exposed. This is not the date contacted to quarantine but the exposure date.
- 2) Monitor symptoms daily and have had **NO** symptoms develop during the 14 day period.

All students, staff, and parents are encouraged to contact their primary care physician for any close contact exposure for further guidance or if any symptoms develop.
