Guidelines for Transfer Requests

2025-2026

MISD transfer policy requires that students apply for a transfer every year. The Student Transfer Request form is available. **To request a transfer, please return the form, in person or by mail, to the MISD High School, 900 Main, Moran, TX 76464.**

Important Dates

Transfer applications for 2025-2026 will be accepted beginning May 1, 2025. To retain priority placement status, students enrolled in 2025-2026 must reapply for transfer by May 20, 2025.

The deadline for transfer requests from enrolled students is May 21th. After May 21th will only be granted under extenuating circumstances as approved by the Superintendent or designee.

All transfer students are subject to denial if class sizes exceed allowable limits.

The Superintendent may designate specific grade levels that will be closed to new transfer applications due to projected space availability.

Students must maintain good attendance, behavior, and work habits to be eligible for transfer.

Transportation Policy

MISD does provide transportation for transfer students. (bus services are a privilege to Cisco, Breckenridge and Albany.)

Students Requiring Special Needs or Additional Programs

If a child has special program needs, the campus ARD Committee will review transfer requests and availability of services. A change in programs/services needed during the school year will require the transfer to be reevaluated to determine the availability of the needed programs/services.

Additional Information

Please contact Jo Hise at (325) 945-3101 or Jeannie Ten Cate at (325) 945-3101 if you have any additional questions.

Transfer students at Moran ISD are taken in as one of our own. From time to time MISD receives students who are transfers because their guardians have an issue with the previous district, then after a short time the guardians have an issue with MISD. PLEASE try to reconcile issues with the district you are in before applying.
